CELEBRATE the opening of Simply Hand Made!!

Simply Hand Made's purpose is simple: to **promote** the work of artists and craftspeople, **preserve** a historic landmark, and **provide** ongoing revenue for the Fredericksburg Community Library.

Simply Hand Made is located in this historic one-room jail building, built in 1916, lovingly restored. Our goal is to develop relationships with artists and makers of all types, offering a place for their work to be sold alongside other unique items of high quality handicraft.

All profits from Simply Hand Made support the Fredericksburg Community Library. Your purchase of gifts at Simply Hand Made will not only support the artist who made it, but also the ongoing work of the library and its programs for the community.

More to celebrate in 2016:

- * “lending library” at Linda Martin Juvenile Attention Center
- * Hunter Safety Program
- * meeting place for Girl Scouts
- * participation in Fredericksburg Merchants Day
- * first interviews for Oral History Project
- * Christmas “gingerbread house making” for families/visit with Santa (happening Saturday, Dec. 10)
